Whistler Mature Action Community Newsletter

Winter 2017:

I think everyone is home now – time to get in shape for skiing!! Time to see what's coming up with MAC and what happened while you were away!

Social Committee Events:

The FALL MASQUE was a smaller event held at the Alpine Café in October. It was well attended, and a good time was had by all.

Janice followed that event with our ANNUAL CHRISTMAS PARTY which was held at Nicklaus North at the end of November, where we had the whole place to ourselves this year. Lots of room for carol singing and mingling in the bar area before moving to the

beautifully decorated dining area for a great dinner with lots of door prizes and then music and dancing in the bar afterwards.

Upcoming Projects:

Spring Creek Elementary

School Reading Project

We need your help for this!

January 9 to March 23, 2018

*Please, will you give us an hour
or two per week*

Hours would be: 1 to 2 pm on
Tues, Wed and/or Thurs.

There is a real need to help kids in Grade 5-7 improve their reading comprehension & conversation skills!

We have a wonderful chance to integrate with youngsters growing up in Whistler but we can't do this project without you!!

This could be your New Year's gift to the future community leaders of Whistler!

Kindly call Janice Lloyd at 604-992-8343 or Kathy White 604-616-6933 for details!

Upcoming Workshops: Once again we are collaborating with the Community Foundation of Whistler, Sea to Sky Community Services Better at Home and the Whistler Library to bring you a workshop. Currently it is planned for January 30th. Details will be announced in January. You can also look on the Website calendar any time for what's going on that concerns us all as well as pictures of our events! Website: www.whistlermac.org
