

helping to make **Whistler** the place you call **home**

### Whistler Housing Authority Resident Housing Rental Program

As part of Whistler's Resident Housing Program, the WHA oversees more than 200 rental units located throughout Whistler. This housing is available to Whistler employees and retirees that worked their last 5 out of 6 years in Whistler. Striving to meet the rental needs of long term residents of Whistler, WHA Rental Housing offers livable and vibrant places to call home.

The following highlights two projects within the WHA's rental inventory that are a good fit for seniors. For additional information on these and the other WHA Rental Projects please visit [www.whistlerhousing.ca](http://www.whistlerhousing.ca)

#### Beaver Flats- Whistler Creekside

Studio and one bedroom apartment units located in Whistler's Creekside close to shops, services and Nita Lake. The apartment building is non-smoking, has an elevator, laundry facilities, underground parking and secured storage. Rents Range from \$785 to \$1,340 including the costs of heat and hot water.

#### Chiyakmesh- Cheakamus Crossing

Studio and one bedroom apartment units located in the Cheakamus Crossing neighborhood close to a community garden, trail system and a short drive/bus to shops and services in Function Junction and the senior's center in Spring Creek. The apartment building is non-smoking, has an elevator, laundry facilities, some wheelchair accessible units and has surface parking adjacent to the front door. Rents Range from \$785 to \$985 including the costs of heat.
